

## **How to change or re-set your CWS password -**

**Your CWS password will need to be changed every 90 days due to security reasons.**

*(This will affect SIS Web, PartStore, PCC and MCC Logins if not changed.)*

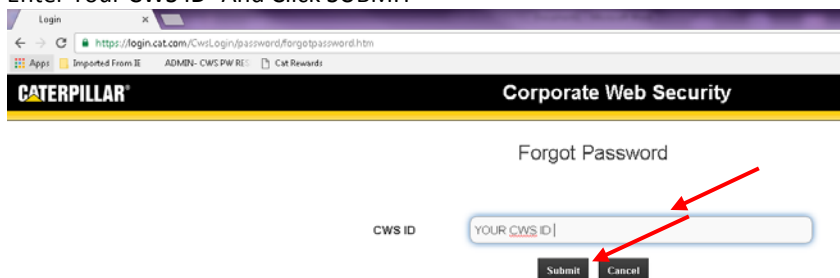

If you are having CWS password related problems/need to reset your password please go to <https://login.cat.com/CwsLogin/cws/sso.htm> , you can reset your password here by following the below instructions. This will then re-sync your CWS ID to all sites you have access to.

1. Select Forgot Password

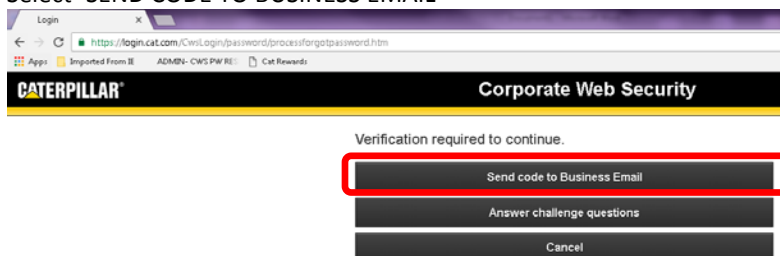

The screenshot shows the Caterpillar Corporate Web Security login page. At the top, there is a navigation bar with the Caterpillar logo and the text 'Corporate Web Security'. Below this, there are two input fields: 'CWS ID' and 'Password'. A button labeled 'Change Password / Profile' is visible, with a red arrow pointing to it. Below the button, there are links for 'Login' and 'Forgot Password?'. A language selector for 'English' is also present. At the bottom, it states 'After login you will be forwarded to: https://truck.cat.com/'.

2. Enter Your CWS ID- And Click SUBMIT

The screenshot shows the 'Forgot Password' page. The title is 'Forgot Password'. There is a 'CWS ID' input field with the placeholder text 'YOUR CWS ID|'. Below the field are two buttons: 'Submit' and 'Cancel'. A red arrow points to the 'Submit' button.

3. Select- SEND CODE TO BUSINESS EMAIL-

The screenshot shows the verification page. The title is 'Verification required to continue.'. There are three buttons: 'Send code to Business Email', 'Answer challenge questions', and 'Cancel'. The 'Send code to Business Email' button is highlighted with a red box.

4. From here, a verification code will be emailed to you- Enter the code and click SUBMIT, you then will be promoted to select a new password
